

DISTRICT HOSPITAL, TUMKUR.

Notice is hereby given that sealed tenders will be received at the above Hospital up to 1st December 1913, by the District Medical and Sanitary Officer, for the supply by contract of all articles of diet, etc., as per annexed list, required for the use of the above Hospital from 1st January to 31st December 1914.

2. No tender will be received after 10 A.M. on the 1st December 1913.
3. Tenders to be superscribed "Tenders for the supply of provisions for the District Hospital, Tumkur."
4. No tenders will be received unless accompanied by a deposit of Rs. 50 in cash, currency notes or Government bonds.
5. All tenders must specify the rates at which the articles can be supplied in pound weight or in seers per rupee as the case may be.
6. Tenders will be opened by the District Medical and Sanitary Officer, at the District Hospital, Tumkur, on the date and hour above noted, in the presence of such tenderers as may choose to attend.
7. The quantities stated in the annexed list are not guaranteed.
8. The District Medical and Sanitary Officer reserves to himself the right of rejecting any tender without assigning any reason for so doing.
9. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount above stated.
10. No advance of cash will be made over to the contractor. Payment for the articles supplied will be made by the District Medical and Sanitary Officer as soon as possible after the 1st of each month on producing the necessary accounts and vouchers.
11. A store-room will be made over to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must be always in store. Perishable articles such as vegetables, meat, tyre, etc., must be at the District Hospital by 8 A.M. daily. All articles except those mentioned otherwise should be of the first sort, and any articles of diet rejected should be replaced within an hour. The contingent articles such as bazaar medicines, etc., ordered should be supplied within two hours after receipt of order. Good cow's milk has to be supplied for the use of the patients whenever required.
12. The contract should not be sublet.
13. A fine not exceeding Rs. 10 will be levied at the discretion of the District Medical and Sanitary Officer, in charge of the institution, for every infringement of the stipulation of the contract or for the supply of any inferior articles; and if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.
14. The decision of the District Medical and Sanitary Officer is final in all questions of infringements of contract.
15. The sale at the contractor's room of any article to the outside public or to any servants within the Hospital, is strictly prohibited.
16. The contract will be subject to the confirmation of the Senior Surgeon, Mysore Government, who reserves to himself the right of rejecting all or any of the tenders.
17. In case the contractor, after taking the contract, is not willing to carry out his agreement, he shall at least give a month's notice or shall forfeit the security money to Government.
18. European diet scale is omitted as there has not been any demand during the past three years or so: they will have to be substituted for native diets, if required, and that rarely.--Baked-bread to be substituted for sojee or rice, or both, if any patient desires it.
